About Our Club

Our Purpose

The Michigan Fly Fishing Club is an organization of fly fishers dedicated to the promotion of fly fishing, the preservation of the arts of fly tying and rod building and the protection of gamefish and their natural habitats.

Our History

The first Michigan Fly Fishing Club meeting was held in 1970. We now meet twice a month at Clarenceville Jr. High School on the 1st and 3rd Wednesdays of each month (excluding June, July & August). Meetings begin at 7:30pm and ALL are welcome to join us to see what we are about.

Fly Fishing Outings

Each year we organize several outings; trout fishing trips on the Au Sable and Manistee, salmon and steelhead fishing trips on the Pere Marquette and Manistee, smallmouth fishing in the Great Lakes, and a week-long trip to Montana. Last year the Club had more than 15 organized trips for our members.

Annual membership in the Michigan Fly Fishing Club is **only \$35.00** and is renewable every September. Club members are entitled to enjoy all of the following:
